1966

Dedication

We, the annual staff of 1966, wish to dedicate this annual to the "Student of Today----Leader of Tomorrow", who will be responsible for keeping our country's greatness as it is.

We hope that through the leadership of today's youth our free nation will continue to grow and to preserve for following generations the freedom that each of us has enjoyed.

We hope that today's students will take advantage of the educational opportunities offered to them and that they will use that knowledge to the best of their abilities for the betterment of our nation, as well as others, through leadership.

In memory of Mr. Jim Taliaferro, who left a wonderful memory in the hearts and minds of the students of C. H. S., we, the annual staff, present this book.

ADMINISTRATION

G. W. Haggard
Superintendent

Seniors, you are to be congratulated on reaching this point in your life. You have been looking forward to completing the Twelfth grade. For some of you, this will be the end of formal training in education. Others will endeavor to further their capabilities by attending College or Business School. I hope you have taken full advantage of your opportunity to grow in knowledge during the past twelve years.

To the other members of this fine student body, who we hope will remain with this school, I leave this thought for you to consider: take full advantage of the privilege you have to attend school in a free society. I urge you to seek the knowledge that is available in our Public Education Systems. Develop the "Power of the Mind", God's greatest gift to man.

The Annual Staff is to be commended for completing this Volume of the YELLOWJACKET.

G. W. Haggard
Superintendent

Charles H. Osborne
Principal

The teachers and students of the schools of the United States of America are the combined forces that shall free the world of prejudice, hatred, and tyranny in the generations to come if we endeavor to teach and learn in the spirit of truth that has guided our forefathers.

We fervently pray that we, the teachers and the students of the United States of America, shall not stray from those high ideals of the American way of life and that we shall do our very best in preserving these high ideals for all the world of tomorrow.

The festive activities of the Homecoming of 1965 began Thursday night, Nov. 10th with a pep rally and bonfire at the lake-side park.

The higher the flames leaped, the higher the Jacket spirit grew to urge them on to the victory against Oakwood's team.

After the game the Jackets celebrated with a Sock Hop in the gym. The four Queen contestants were presented gifts.

The Senior contestant, Judy Miles, was chosen as the Coolidge High School Queen.

HOME COMING 1965

Only a sample--
"Louie, Louie"

Entertainment was provided by the "Tradewinds."

Along with the excitement of Homecoming came the reunion at the afternoon business meeting.

The conclusion of Homecoming came with the Saturday night dinner and the Queen's Ball.

CALENDAR OF EVENTS

Football Practice Began	August	13
Senior Rings Received		17
Registration--First Day of School		27
Labor Day Holiday	September	6
